

For Immediate Release

2024 Tampa Bay Auto Show Canceled Due to Structural Damage Caused by Hurricane Milton

Tampa, FL – (October 14, 2024) The organizers of the Tampa Bay Auto Show regret to announce that the 2024 Tampa Bay Auto Show scheduled to take place at the Florida State Fairgrounds has been canceled because of structural damage from Hurricane Milton. Ensuring the safety of our exhibitors, attendees and staff is our top priority. Unfortunately, the damage caused by the hurricane has rendered the venue unsuitable for hosting the event at this time.

We understand the disappointment this may cause to our exhibitors, sponsors, attendees, and the community, and we appreciate their continued support and understanding. We are committed to returning in 2025 with an exciting show.

The Tampa Bay Auto Show is owned by the Clearwater Automobile Dealers Association, Inc., St. Petersburg Automobile Dealers Association, Inc., South Pinellas County Auto Dealers, LLC, and Tampa New Automobile Dealers Association, and produced by Steve Freeman Events.
